

# Marriage Blessing

This serves as a joyful commemoration and blessing upon the  
union of

and

Having committed themselves to one another in love and  
covenant, we as the church bear witness to their union and  
prayerfully pronounce our blessing upon their marriage.

May their home be filled with love, patience, grace, and  
unwavering faith. May they walk together in unity, supporting  
one another through every season of life, and may their union  
reflect the beauty of God's love.

As a symbol of the church's support and blessing, we celebrate  
their commitment and entrust their journey together into God's  
faithful care.
